

UNITS 1, 3, 7

1-

Purpose of Exercise: The purpose of this exercise is for students to develop their skills in writing dialogue and speak out in pairs or in a group of four that both reveals character and moves plot forward. Emphasis will be placed on audience and diction.

Description: Students will write and read a formal dialogue in pairs/a group. One of the students will play the role of a receptionist and the rest of them will perform as clients/patients, so that they put what they have learnt about Units 1, 3 and 7 into practice:

- Unit 1: Greetings; introductions; farewell; and English days of the week and months vocabulary and expressions.
- Unit 3: Telling the time (cardinal numbers) and the date (ordinal numbers) in English.
- Unit 7: Expressing agreement and disagreement.

Students must create a 24-line dialogue (groups of four) or a 12-line dialogue (in pairs) between themselves making an appointment, so they must reach an agreement on it.

Suggested Time: 10-15 minutes / a group

Procedure: The leader of every group has to send the written dialogue out in Word format through the virtual platform before the deadline set, so that the whole group or the couple is allowed to complete the task by performing it in public.
